Grave Records In Bound Copy

LENOX.—Town officers have received a handsomely bound copy of the records of veterans' graves in the town, as drawn up under a WPA project sponsored by the county. Robert G. North was supervisor of the project and Robert B. Chamberlain, draftsman.

The record shows the location of graves of veterans of the Revolution, the War of 1812, the Civil War, the Spanish-American War, the World War, and the Mexican campaign.

Maps are included to show each grave in the New Lenox, St. Ann's, Church-on-the-Hill, and town cemeteries.

While the county furnished the operating materials for research on the project, the town of Lenox had the final information bound in its present form.
